ISHDO  
The Human Resources Manager  
Zambia

Dear Sir/madam

**RE: APPLICATION FOR INTERNSHIP AS A LABORATORY  
TECHNICIAN**

I am a fully qualified laboratory technician completed my studies in December 2018 at Evelyn Hone college of applied sciences, arts and commerce and registered with the health professionals council of Zambia.

I would like to enquire about a potential work experience at ISHDO, which I will be available to carry out for the given period of time for internship.

I am keen on gaining more practical work experience in science laboratory technology because of the passion and interests I have in the field have studied.

As an enthusiastic analyst with interest in what ISHDO does as well as a passion to progress within this organization, I would be very grateful to be considered for an opportunity at ISHDO. Attached to this email are my supporting documents to show that I am a full qualified science laboratory technician.

I look forward to hearing from you soon

Yours faithfully

Fulungesio Zulu
