To; Integrated Service on Health and Development Organization /ISHDO/

Dear Hiring Manager

I am Melese Sisay, and I am writing this motivational letter and appreciative of the opportunity to apply for the position of Laboratory technician Maternity Cover. My career goal has always been to work in such organization. I believe this opportunity lines up perfectly with my ambition. Working in this particular area is very exciting and I am looking forward to learning more about this position. I got to know about the job opportunity through a job portal and decided to submit my resume and motivational letter for the position

My passion for Laboratory technician Maternity Cover motivated me to join Integrated Service on Health and Development Organization /ISHDO/.I have advanced BSc degree in Medical laboratory Technology from University of Gondar,licensed as Chief Medical laboratory technologist with more than 10 years of extensive work experience working as medical laboratory technicians and technologists as well as as team leader in different organizations

I worked with international humanitarian organizations as well as I worked at National COVID-19 Care Center in challenging environment .I can use and utilize my huge experience well if given chance to work for you. I am focused, experienced and highly skilled can work long hours at stretch.

Thank you for taking the time to read and review my cover letter for Laboratory technician Maternity Cover at Integrated Service on Health and Development Organization /ISHDO/. I believe that I am highly qualified for this job due to my past huge experience and educational background.

I will be looking forward to working for you and hearing from you,

Thank you

Sincerely,Melese Sisay
